Talent 1 Media Film Festival

Since our inception in 2004, Talent 1 Media has been dedicated to helping emerging filmmakers and artists use their creative talents for the purpose of causing change through raising awareness of social injustices. Our films and productions have been used in trainings, seminars, and discussions by several key organizations and NGOs, and even the U.S. Department of Health & Human Services. Our Festival has opened up the eyes of literally thousands of people to the issues of our World. We are facilitating an environment of learning and ultimately a push for strategic action. We offer wonderful and entertaining films, seminars and workshops, and live entertainment throughout the event, all for FREE!

Why Sponsor Us?

Talent 1 Media is truly a collaboration of talented and creative individuals. As a 501(c)(3) non-profit organization with an all-volunteer staff, Talent 1 Media would not exist without generous sponsorship and community support. Your monetary contributions allow the Talent 1 Media Film Festival and other programs to offer FREE Admission to the public. Help us to continue raising awareness for social injustice and pursuing our mission.

Your Sponsorship means:

- Targeting a diverse, educated and professional audience that continues to grow annually.
- Empowering artists and filmmakers to create compelling works of art that have a potential to change communities around the World.
- Expanding the “largest Human Trafficking awareness event in Los Angeles.”
- Opportunities to create a more socially responsible and aware strategic corporate identity, as well as increase brand recognition.
- Receiving acknowledgements on the Talent 1 Media website, printed materials, intermission commercial advertisements, and well placed banners throughout the event.
- Expanding product or service interest through demonstrations, booths, and printed materials.
- Ongoing verbal and printed mentions at Talent 1 Media events.

In-kind Donations & Services:

In-kind donations are always welcome and greatly appreciated. In-kind donations are any non-cash materials or services. Examples include product demos, catering and printing services. We are open to relevant products or services and can also arrange disbursement to festival attendees. Talent 1 Media has a list of service and product related necessities.
